The wood workshop in Haro Sabbu where the boards, windows and doors are made. Your donation is also generating revenue and creating jobs in the community.

## Our hopes:

- Continued and strong partnership with the community of Zornheim
- To continue to support the provision of classroom materials, especially, desks.
   About 900 new desks are needed for all the 6 schools.
- Come and visit us!

- To Zornheim Community, Germany
- Dear friends,

With your donation of 3000,00 that was intended to support 6 elementary schools in and around the town of Haro Sabbu, you made it possible to provide new 55 blackboards, 11 doors, 4 windows, and 62 board erasers, which will serve to significantly improve quality of education for 3,116 students (1,666 boys & 1,480 girls) in these 6 schools. We are sending you this note with a great sense of gratitude and respect for your generosity. Thank you.
